COMM. G.B. BURLOTTO  
VERDUNO

## G.B. BURLOTTO VERDUNO

### Barolo, 2017

Soft summer fruits on the nose.

Supple, delicate mid palate.

Fragrant fruit, filigree acid lifting the fresh fruit notes,

Refreshing and poignant. Very long and bouyant on the finish.

### Barolo 'Monvigliero', 2017

Smokey notes of earl grey tea and rose petal. Perfumed and complete.

Light almost fragile on the palate, pulled back by concentrated orange blossom and peach like tones.

Tannins are present but immensely well integrated.

The perfume purity of whole bunch with the tantric acid is exceptional

### Barolo 'Acclivi', 2017

Selection of the best fruit like the Riserva of old but fruit just from Verduno.

Burnished expressive red fruit on the nose, lifted, bountiful delicate palate, poised. Integrated yet textural tannins.

Succulent fruit lifted with energetic precise acid.

Textured savoury finish.

### Barolo 'Cannubi', 2017

Sandier soil - layer of sand with blue marl on top.

More concentrated fruit on the nose, less layered, denser, fuller high toned seaweed and herbal tones on the edge of the aromatics.

Fuller palate, supple, lightly spiced. concentrated stone fruits, tart red apples, underlined by almost creamy tannins that undulate and carry the flavours across the tense mineral core. Very long and evolving, surprising re-immersion of the seaweed sensation on the end, if there is an end.

Marvellous wine.

TASTING NOTES

## ROCICHE COSTAMAGNA LA MORRA

Barolo, 2017

Soft summer fruits on the nose.

Sweet and supple mid palate.

Finely tuned tannins, already quite open and expressive.

Barolo 'Rocche Dell'annunziata', 2017

South facing slopes towards the south of La Morra.

Savoury forest floor and bramble fruits on the nose.

Soft rose tinted red fruits on the nose.

Bouyant and expressive on the palate, held firm with powerful, yet ripe tannins. Light on its feet with lifted acid purveying the aromatics around the palate.

Embryonic.

Barolo 'Rocche Dell'Annunziata Riserva' 2015

The evolutionary tertiary tones of leather and balsamic rush out of the glass. High toned with ripe, layered red fruit sitting on a liquorice base of piquant redcurrant. Tannins are present but secondary lending weight to a long evolving finish.

TASTING NOTES

## BREZZA BAROLO

Barolo, 2017

Perfumed rose tinted nose. Fragile, pretty, soft and succulent.

Tight redcurrant tones, filigree tannins and a poised, direct floral finish.

Perhaps not the longest, but very pretty.

Barolo 'Cannubi', 2017

(SE) Both Just N of Barolo

Very closed, delicate nose.

Grippy, yet well integrated, mature tannins. dark chocolate, coffee tones, cooler site expression lends weight mid palate.

Very young, but the persistence of the aromatics suggests this will shine with time.

Barolo 'Sarmassa', 2017

(Bowl - SE some north)

Earthy savoury edge to the subdued aromatics.

Quite the beast, broad, savoury tones on the palate, with a density that carries the more vegetal forest floor expression.

Taut, tight finish.

TASTING NOTES

## CAVALLOTTO

CASTIGLIONE FALLETTO

### Langhe Freisa 2018

That comforted bright redcurrant fruit, wrapped in fragrance, almost vanilla like in sweetness. Powerful ripe fruit, ethereal aromatics Tense sweet wild raspberries. Textured. violet notes. Dark crunch on pack of palate. Ripe. Warm warm year.

### Langhe Nebbiolo 2018

Vegetal tones on the nose, rich mushroom hints, wet leaves, complex, intriguing. Meaty first note on palate. Tight grippy tannins. Layered mineral lift giving freshness. Very savoury, very powerful. Long, leather bound finish.

### Bricco Boschis 2017

Tough on the outside, soft on the inside (like an Armadillo! - I broke two Coravin needles on this cork!) Those evocative liquorice and tea notes, perfumed rose petal, an iodine hint, traditional Barolo. Beautifully resilient tannins, all enveloping but supportive rather than instructive blood orange tones with brooding red fruit tucked under leather bound spice. Full bodied and full flavoured this is no shrinking violet!

### Riserva Vignolo 2015

Ripe evolving nose with tertiary farmyard and forest floor tones. Soft and giving on the palate. Notes of iodine and tea are interspersed with star anise and logumberry. Exceptionally complex, almost meaty in character towards the end. Leather bound tannins are firm yet ripe and integrated, an afterthought on the palate, not the main player.

TASTING NOTES

## PAOLO CONTERNO

MONTEFORTE D'ALBA

Awaiting Content.

TASTING NOTES

GUIDO PORRO

**GUIDO PORRO**  
SERRALUNGA D'ALBA

Barolo Gianetto,

On the far East. East and West facing slopes  
Calcaeous clay. Towards the North of Serralunga SE facing.  
Cask sample, but nonetheless this wine jumps out of the glass  
delicious berried fruit bounces about with abundance.  
Fleshy and fragrant, the poise and balance in this wine is fantastic.  
Firm hold at the finish, showing concentration and promised evolution.

Barolo Lazzairasco, 2017

Vineyard name given by Menzione of Lazzarito  
Warmer fruit on the nose, high toned and effusive.  
Tight and textured with meaty notes, a savoury expression that focus  
around the mineral core.  
Long, dark coffee on the finish

Barolo Vigna Santa Caterina, 2017

Another Lazzarito  
Warm plum notes lifted by the high toned spice, ripe  
Full bodied and fruity, kept in check by firm but fine tannins and a  
spritzy mineral acid expression.  
Very long. Fragrant on the finish

Barolo Vigne Rionda, 2017

South facing famous menzione.  
Fragrant and concentrated, aromatics that swirl like an essence. Exotic.  
Tarnished with savoury forest floor.  
Tight and grippy, but beautifully formed on the palate lifted aromatics  
circle with youthful red fruit dancing across the darker concentrated core.  
Where the 16 was herbal, the 17 is floral and fruity, a very different  
vintage, but no less exciting.

TASTING NOTES

PODERI  
LUIGI EINAUDI**PODERI LUIGI  
EINAUDI**  
DOGLIANI

Barolo Ludo

Tomatoe and herbal sage notes on the nose, complex, layered, smokey  
Very supple on the palate. Bright red fruit, concentrated and piquant  
Strong tannins show youth, with more contained darker fruit notes on  
the finish.

Bussia

Ripe on the nose, hint of raspberry conserve, high toned with herbal  
edge. Exotic on palate, herbal and savoury with lifted rose notes,  
complex, tight.  
Long and evolving forest fruits with suggestion of Provençal herbs on the  
finish.

Barolo Terlo Vigna Costa Grimaldi

Soft red fruits, burnished plum and orange blossom.  
Dark chocolate hints over baked stone fruit. Textured, young and shy at  
this stage.

Cannubi

Soft red fruit nose, subtle, gentle rhubarb hints on palate, piquant red  
fruit and spice.  
Rose petal lift with tense, firm tannic grip and focussed core.  
Young.
