

CHAMPAGNE GREMILLET

★★★★★

Brut Selection

THE BLEND

70% pinot noir, 30%chardonnay.

THE EYE

A pretty pale golden yellow in colour rippling with fine, persistent bubbles. Bright, luminous and limpid.

THE NOSE

The nose evokes happiness - a lively alliance of delicious floral and fruity notes, of acacia, hawthorn, peach, pear and apricot, carrying on to reveal fresh hints of citrus fruit and citronella.

THE MOUTH

The taste is pleasant and refreshing with a nice balance of acidity and maturity. We find again the same fruitiness that was so delicious on the nose, with the addition of fine toasty and spicy notes.

A Champagne for pure pleasure, convivial, to share at any moment

MATCHING

FOOD AND WINE

I would serve it as an aperitif to accompany canapés and for drinking a toast to friends.
